

SPRING SERMON SERIES OVERVIEW

Sermon Series Categories

When putting our sermon series calendar together, I always focus on hitting four major categories of sermon series archetypes over the course of the semester.

1. Topical
2. Biblical Literacy
3. Biblical Concepts
4. Book of the Bible

Fruit of the Spirit

Some of us may know the fruits of the spirit but what does it mean to have that fruit in your own life? In this series, we will take 10 weeks to go over each Fruit of the Spirit and see what the bible has to say about each one.

The Book of James

When you combine the punchy wisdom of Proverbs with a New Testament understanding of Jesus's life and his imminent return, you have the book of James. In this series, we will take 6 weeks to go through the book of James to get a ton of incredible insights of how to live out our faith in an active way.

WHAT WEDNESDAY NIGHT LOOKS LIKE
